DGA is signatory to the Multilateral Agreement for Certification Bodies, Products (MLA) of European co-operation for Accreditation (EA) and to the Multilateral Recognition Arrangement (MLA) of International Accreditation Forum (IAF). For certification bodies for products, EA concluded further bilateral agreements for mutual recognition. The signatories to these agreements mutually recognise their accreditations of certification bodies for products.

The up-to-date status of membership can be retrieved from the respective website:

EA - <http://www.european-accreditation.org>

IAF - <http://www.iaf.nu>

This accreditation has been awarded on the basis of an assessment and pursuant to the contract concluded with the accreditation body with respect to the accreditation of a certification body for products in accordance with the rules and procedures of the German Accreditation System in conformity with the Standards DIN EN 45011:1998 and DIN EN ISO/IEC 17011:2005.

The requirements in terms of materials and personnel as specified in DIN EN 45011:1998 for the specific technical scope of certification indicated in the accreditation certificate, as well as for the systems and schemes of certification described in the annex to the accreditation certificate, have been met.

Details of the scope of the accreditation (systems of certification, schemes of certification and specifications) are given in the annex to this accreditation certificate.

The annex and the documents submitted form part of the accreditation certificate. Any amendments are to be made in writing.

The accreditation is awarded subject to revocation at any time due to the lapse of any conditions defined in the contract and in the annex to this accreditation certificate.
